

### **Assistant Public Works Director/Development Engineering Manager**

The City of Napa, California (Population 75,000), located in a unique wine region, seeks experienced engineering managers for two excellent career opportunities in the Public Works Department.

#### **Assistant Public Works Director** (\$110,942 - \$133,922)

Responsibilities include assisting the Director in managing the programs and activities of the Department including capital improvements, urban development, construction, traffic, fleet management, solid waste/recycling, and water.

Minimum requirements: Bachelor's degree in Civil Engineering or closely related field, CA Professional Engineer registration and six years of significant public sector engineering experience including supervisory responsibilities; ability to perform all functions required of a City Engineer, including the ability to sign maps of record desired.

**Development Engineering Manager** (\$97,248 - \$117,480) Manage and supervise the day-to-day activities of the Division including four professional/technical staff while managing the comprehensive engineering review process for development proposals, improvement plans, parcel maps, and final subdivision maps.

Minimum requirements: five years of responsible civil engineering experience, including supervisory responsibilities; Bachelor's degree in Civil Engineering or related field and CA Professional Engineer registration. CA Land Surveyor registration desirable as the incumbent may perform functions required of a City Engineer, including the ability to sign maps of record.

Final filing date: Monday, October 22, 2007.

Completed City of Napa job application required ([www.cityofnapajobs.org](http://www.cityofnapajobs.org)).
